

#ACTION AGAINST POVERTY

Gather your donations throughout the month along with colleagues, friends or family and bring them along on the 19th of July between 10am and 2pm for a safe, socially distanced celebration of Madiba's legacy! Our staff will provide free wellness checks, and you'll have the opportunity to "make your mark" this Mandela Day as we stand together to make the world a better place.

Contact us on (044) 384 0593 or hospice@hospiceknysna.org.za to find out more or book your donation drop off slot on the 19th of July. Donations for our Dignity Drive and second hand items can be dropped off throughout the month of July at our offices too. All cash donations are eligible for tax and BEE benefits.

Don't forget!

Spend 67 minutes clearing out your garage, cupboard, storage unit and bring along your donation of second hand items for our shops. Your donation of used stuff becomes our treasure of stock to generate an income for the work we do.
